Making the Case for Israel on University Campuses

February 13, 2012 | 7 PM | FIU Biscayne Bay Campus | WUC 155

The forces against Israel have found a welcoming home on numerous college campuses throughout the United States, supporting and inciting boycotts and sanctions as well as delegitimization and divestment efforts. South Florida and FIU have not been immune to these activities. Join us for a keynote address and a lively panel discussion about these systematic campaigns to isolate Israel and efforts to combat them.
